### **Roger Trindade Death Investigation**

Barring any unforeseen circumstances, we are anticipating an update from the Medical Examiner by the end of next week. Until the Medical Examiner determines a cause of death, the Police Department cannot determine what charges are appropriate.

The family deserves to know what happened to their son on that tragic night, and we are continuing to keep them updated on our findings. As with all of our investigations, and particularly with this one, our investigators are conducting a full and complete investigation to ensure that all of the facts come forward. We would like to thank our citizens for their patience and understanding in this matter, and we will continue to keep the community updated without comprising our investigation.
